

REMARKS

The paper is in response to the Notice of Non-Compliant Amendment dated March 31, 2005. Applicant now indicates that claims 1, 3-5, and 8-10 are currently amended. No changes have been made to any other claims.

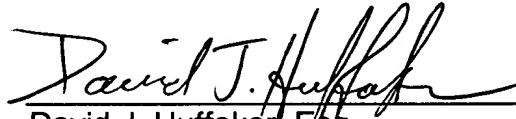

The applicant notes that the Notice of Non-Compliant Amendment indicated that only the corrected section of the non-compliant amendment document should be resubmitted. Accordingly, the applicant requests that the Amendments to the Specification and the Remarks given in the Amendment and Response to Office Action dated Dec. 9, 2004, be entered and considered.

The applicant asserts that the application is in condition for allowance and hereby requests a notice of allowance directed to claims 1, 3-10 and 33-38.

Should the Examiner believe that prosecution of this application might be expedited by further discussion of the issues, he is invited to telephone the attorney for Applicant at the telephone number listed below.

Respectfully Submitted,
